ORDER:

In the letter read above, the Commissioner for Cooperation & Registrar of Cooperative Societies, Andhra Pradesh, Guntur has reported that in the 7th SLIMC meeting held on 16.06.2025 under Chairmanship of the Ex-Officio Special Chief Secretary to Government, Agriculture & Cooperation Department, on the implementation of Computerization of Primary Agricultural Cooperative Societies Project in the State, it was presented that 2012 PACS have transformed to e PACS and around 1670 PACS have done EOD for March 31st, 2025. Further, it was also submitted that the manual records of the PACS were being sealed and kept in custody and all the e PACS that have done EoD for the previous day were given a provision to download a e PACS certificate certified by the Commissioner, Cooperation to be displayed in the PACS premises.

2. Therefore, to emphasize the activity, the Commissioner for Cooperation & Registrar of Cooperative Societies, Andhra Pradesh, Guntur has requested the Government to issue orders directing all the PACS to invariably record their day to day transactions on Enterprise Resource Planning (ERP) only and perform End of Day process (EoD) regularly.

3. Government after careful examination of the matter, hereby order that it is mandatory that all the e-Primary Agricultural Cooperative Societies (e-PACS) shall invariably perform their day to day transactions only on the Enterprise Resource Planning (ERP) and shall not resort to manual entry of transactions. Any Primary Agricultural Cooperative Society failing to perform End of Day process (EoD) shall be liable for consequences which shall inter alia include cessation of refinance from the DCCB. Similarly, the corresponding DCCBs shall also not receive refinance from APCOB until all the PACS under their jurisdiction record their transactions on ERP and regularly perform the day end process and the audit of accounts of the Primary Agricultural Cooperative Societies for the Financial Year 2024-25 shall also be done only through ERP as the primary objective of the project would be fulfilled only if Primary Agricultural Cooperative Societies do real time transactions in ERP.

4. The Commissioner for Cooperation and Registrar of Cooperative Societies, Andhra Pradesh, Guntur shall take necessary action in the matter accordingly and communicate the order to all the District Cooperative Officers, PACSs, DCCBs and APCOB.
